**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

The South Gate Housing Authority administers the Housing Choice Voucher Program and has a budget authority to assist 654 families. Located 12 miles southeast of Los Angeles, South Gate is approximately 7.2 square miles. According to the 1990 Census, the city's low-income renter households that earn 30 and 50% of the median income are cost-burdened, paying more than 76% of their incomes on housing. Overcrowding is another significant issue in South Gate since 42% of the city households are overcrowded. Additionally, the vacancy factor is 1.7%. These factors make it extremely difficult for applicants from the waiting list to find suitable housing.

The payment standard has been set at 110% of Fair Market Rents for one through four bedroom units. This is to allow our low income and/or large families every opportunity to secure decent housing. The waiting list still remains at 632 applicants. It is the policy of the agency to offer priority assistance to residents or those employed in the city before assisting non-residents with additional preference given to veterans and eligible families of veterans.

The SGHA is committed to improving customer service to all of our customers, which includes, other PHA staff, tenants, owners and city staff. We continue to conduct interviews in person to ensure that the applicants/participants are ware of their responsibilities to the Housing Choice Voucher program. We continue to contract with the Fair Housing Foundation to assist in educating the city's residents, tenants and landlords of their rights under state and federal landlord/tenant laws.
